Subject: **2022 Fischer Indoor Junior Nationals: COVID-19 Protocols**

We are pleased to confirm that the 2022 Fischer Indoor Junior Nationals are scheduled for next March/April. The health and safety of all players, coaches, parents, officials, tournament organizers and spectators are our top priority as we continue to monitor and adapt to the ever changing COVID-19 landscape.

We will adhere to the relevant Public Health Authority Guidelines to prepare the COVID-19 health protocols in place for each tournament. All players, parents, coaches, and tournament personnel 13 years and over will be required to be fully vaccinated and show a vaccination passport. This may also apply to individuals 12 years of age and younger especially as the vaccination rollout for this age group has begun across Canada.

Provincial Health Authorities and/or venue facilities may require vaccinations for those aged 12 and younger and we will adhere to those policies. To be prepared it is strongly recommended that every player, parent, and coach intending to compete in or attend the Indoor Junior Nationals become fully vaccinated regardless of age.
